

ARCE CHICAGO

Meeting Minutes

April 3, 2005

I. Call to order

Emily Teeter called to order the regular meeting of the **ARCE CHICAGO** at **9:30AM** on **April 2, 2005** in **Oriental Institute Museum LaSalle Bank Room**.

II. Attendance

Sandra Polley did not conduct a roll call due to the fact this was the first meeting therefore, no roster was available. A sign in sheet was signed by all and is attached to these minutes. Forty People were in attendance.

III. Open Issues

- a) Emily Teeter provided a brief summary and history of ARCE and introduced herself to the members.
- b) Sandra Polley, presented the chapter website and introduced herself to the members
- c) Members briefly debated the issue of whether or not to include “metaphysical or new age” content on our chapter web site as it pertains to Egypt. The consensus was that ARCE was an inclusive organization and should not exclude the “metaphysical or new age” content.
- d) Various topics were discussed regarding fundraising and membership dues it was decided to table that discussion for another meeting.
- e) Sherian McLaughlin volunteered to be acting Treasurer until formal elections were held. All members approved.
- f) Chapter Committees were announced and members were instructed to sign up before leaving the meeting.

IV. Discussion of Programs & Events

- a) Breakfast with Mark Lehner in May – flyer attached to minutes
- b) Lecture by Peter F. Dorman in June – flyer attached to minutes
- c) Photo Contest – Members were encouraged to bring their favorite photos of Egypt for a contest but there were so few that new about the contest we elected to postpone the judging for the winner until the June meeting. This will provide more time for members to send photos via email and submit them directly to the website or bring them to the June meeting.
- d) Chapter Project – the idea of having a project the entire Chapter collaborates on appealed to all members. Emily Teeter suggested that since Chicago is known for Architecture it would be fitting if ARCE Chicago created an E-Photo Book of Egyptian Inspired Architecture in the USA. It was decided that the chapter would revisit this idea at a later date.

V. Adjournment

Emily Teeter adjourned the meeting at 11:30 for social time among the members. The meeting ended at noon.
